MESSAGE FROM PROGRAM CHAIR

Finance is a key component for the success of any business venture. The PGP - Investment Banking and Global Markets is a rigorous 11-months weekend program that provides a unique blend of applied theory and practical hands-on training in relevant Finance domains.

The program provides a unique academic setting where the pursuit of professional excellence is prized. We harness our state-of-the-art lab infrastructure to train you in Research, Analytics and Modeling that have become extremely important to succeed in Finance. Our illustrious faculty provides one-on-one consultation to participants on a wide spectrum right from course work to career choices. Outside classroom, you will benefit from an extensive industry interface with our corporate network, which will provide you opportunities to work on live industry projects, pursue internships and avail full-time placement assistance in Investment Banking and Global Markets divisions.

I hope that our program matches your interests and needs. I welcome your questions about our program and look forward to nurturing and mentoring you for your bright future ahead!

Cordially,

Prof. Harjeet Singh (MS – Stanford University, CFA, FRM, CAIA, CMT)

Program Chair and Managing Director – EduEdgePro Pvt. Ltd.

Consultant – Department of Economic Affairs, Ministry of Finance (Govt. of India)
